Specs updated: April 2026

① Accessories and devices related to specific vehicle functionalities are subject to availability. For more information, please consult your local BYD dealership.
② Actual range will vary depending upon driving/charging habits, speed, conditions, weather, temperature, and battery age. The battery capacity is initial capacity. It will decrease with time and use. The battery age and outside ambient temperature both play a role in charging times.
③ The above specifications are for the standard vehicle. It is subject to regional needs and regulations. Some vehicles shown include optional equipment that may not be available in all the regions. All technical specifications subject to change without notice. Visit BYD dealership for more details.
④ BYD reminds you to wear seatbelts, secure children in the rear seat, obey all traffic laws and drive responsibly.
⑤ All pictures shown are for illustration purpose only.
⑥ BYD reserves the right of final interpretation.
